How To Use Easy Bib

1. Go to www.easybib.com
2. Copy and paste the entire URL of your source into the box in the middle of the screen:

3. Click the orange “Cite It” button to the right and hit continue on the next page.

4. On the next page, scroll down and click “Create Citation.” Don’t worry about filling in missing information.

5. Your citation is finished! Click the copy and paste button below it to copy it, and then paste it into your bibliography (Right Click -> Paste or Command+V).

Hooray! Here's your new citation:
